SUBJECT: 2007 Annual Report of the Ripon Police Department
DATE: January 30, 2008

The purpose of this document is to report on our department's activities for 2007. It should provide the reader with some snapshots of the overall crime situation in the City of Ripon. The Kevin Moore jury trial is finally behind us and I would like to commend all of the Ripon Police Department personnel on the outstanding performance in this very difficult case. I have every confidence that our department can handle any case that is presented after going through that particular incident.

I would like to thank all of you for the outstanding cooperation and assistance during the last year. The Employees of the Ripon Police Department have worked hard on several major cases this year and have provided quality law enforcement services to the Residents of the City of Ripon. The community itself deserves credit for working successfully with the Department in providing information regarding illegal activity in the City of Ripon.

Officer Tim Schroeder was added to the Department in 2007, to replace Officer Mike Fredin who retired after 30 years of dedicated service to the City has made outstanding progress and has become a real asset to the department.

As always I welcome your comments or questions on this report or of any other concern with the Ripon Police Department. I can be contacted at (920) 748-5243 or via email at dlukoski@cityofripon.com.

Respectfully submitted,

Dave Lukoski, Chief of Police
